

CARBON NEUTRAL PRODUCT

EMIL DEISS KG Hamburg supports the following UN goals for sustainable development:

EMIL DEISS KG Hamburg
Product „Müllbeutel Abfallsäcke Superhelden 2021“

Participant ID: DE-2824-0421

Valid until: 21.04.2022

This certificate guarantees that the reported quantity of 15535 tons CO₂ has been calculated according to Greenhouse Gas Protocol Standard. The resulting emissions have been saved in Gold Standard tested climate projects.

EMIL DEISS KG Hamburg has acquired shares (certificates) in climate protection projects corresponding to the calculated volume of CO₂ to offset the carbon emissions of “Müllbeutel Abfallsäcke Superhelden 2021”, and therefore plays a transparent part in the realisation of the projects. This ensures that the company compensates for its own CO₂ emissions, and thus scales back the rise in global warming.

The projects have been certified, and the issue and closure of the certificates is registered transparently.

EMIL DEISS KG Hamburg is therefore a voluntary participant in emissions trading, and thus makes a contribution to maintaining a viable environment by reducing the emissions of greenhouse gases. The holder of this certificate makes a sustainable contribution to the commitment to tackle global warming.
